Good afternoon ,

I will be setting up a meeting on behalf of Jack. I had emailed Kristin and Megan about an hour ago, but wanted to include you in the conversation.

Please send me a few dates and times next week and I will let you know which time works best for us.

Thank you,

Hi Jack,  
This is Joanne Kumamoto. I am not sure the business owners understand the purpose of the program...to eliminate trash from the land fills. If you can let them know about recycling and the restaurants about separating their trash. I'm not clear on how all this is suppose to work. I have not heard that any of the businesses have had an audit conducted on site. Is there an additional charge for separating trash? Some businesses have cardboard. What resources are there for the businesses?

Joanne

Hi Jack,

I hope all has been well. If you didn't already know Joanne and Ellen, they are with the Little Tokyo Business Association and the Little Tokyo BID. They have concerns and questions regarding the new waste-hauling program.

Many of our business owners in Little Tokyo, speak and read Japanese only. It would be extremely helpful to get some material in Japanese, explaining the new process of this program for business owners to have and be educated on.

Joanne and Ellen, please chime in with any other concerns you may have.

Thank you,  
Megan
